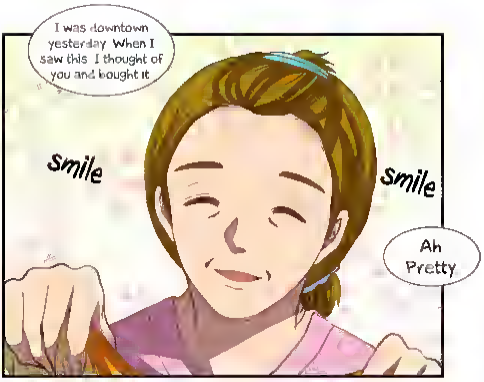
Mom I have lectures until late afternoon so I'll eat with my friends and then come home.
Mm Okay
Oh Before you leave come over here

What's this?
Mm That's my boy The color fits well

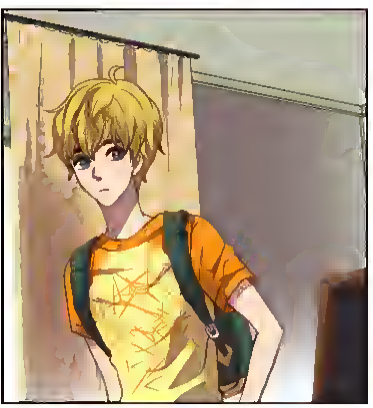


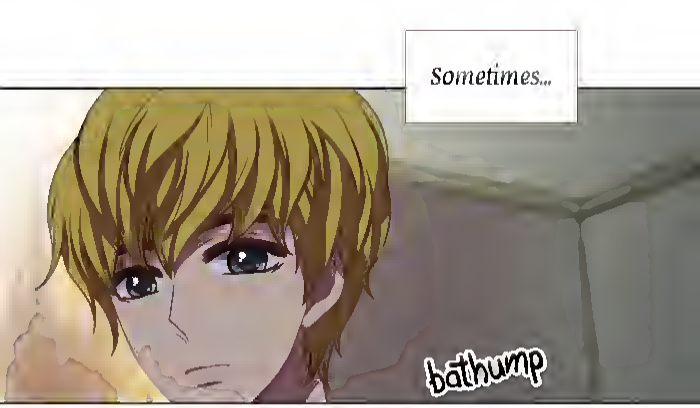
I was downtown yesterday. When I saw this, I thought of you and bought it.
Smile
Smile
Ah Pretty

Send me a picture of you wearing it.
Hehe
I should show it to my friends.
She's like a little girl.

Ah. Then I'll wear this and be off~

Okay.

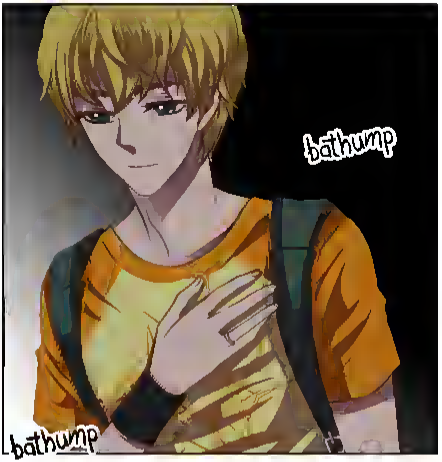




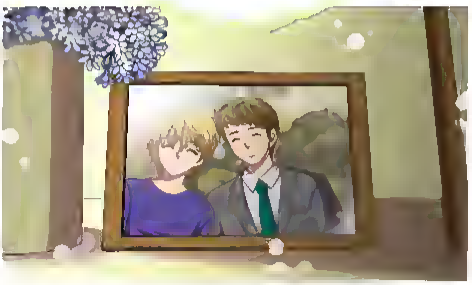
Sometimes...
bathump

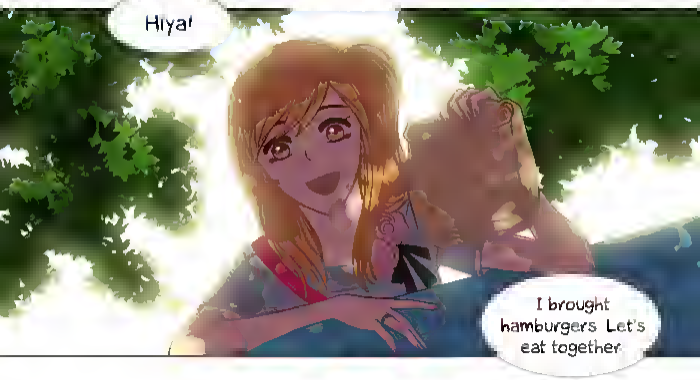
...I'm afraid and sorry that
...I'm the only one enjoying this happiness

bathump-



I'm off...Hyung.



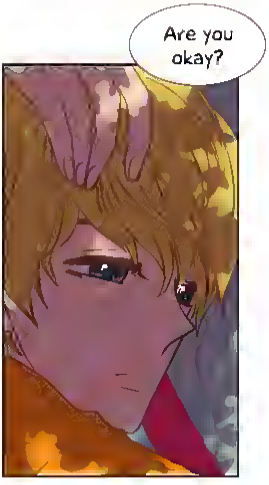


Hiya!
I brought hamburgers Let's eat together

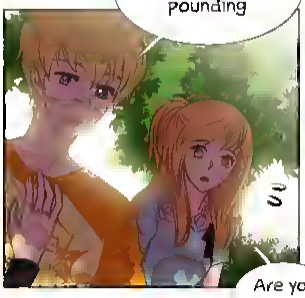
I had some trouble getting my friends off my tail.
What do you want?
Chicken? Beef?

Huh?
Squ
eeze~

What's wrong?
Oh Did you have
that dream



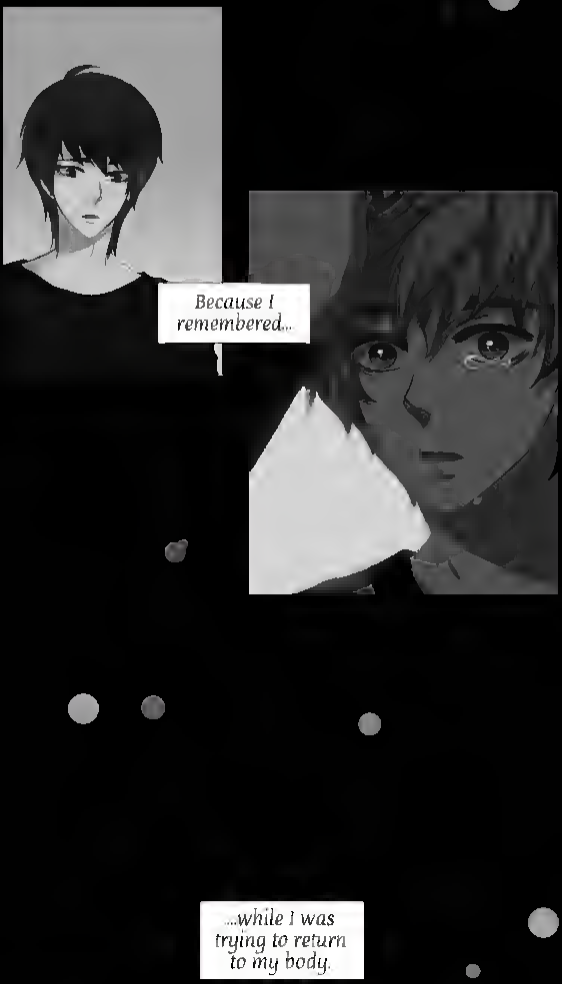
Are you
okay?



No. I'm just...

Happy-Sad...

Just like back then.



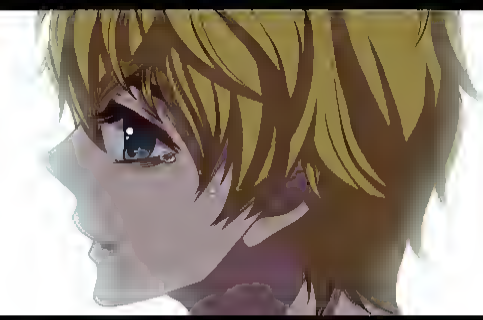
Because I remembered...
...while I was trying to return to my body.

...I stopped in my tracks.

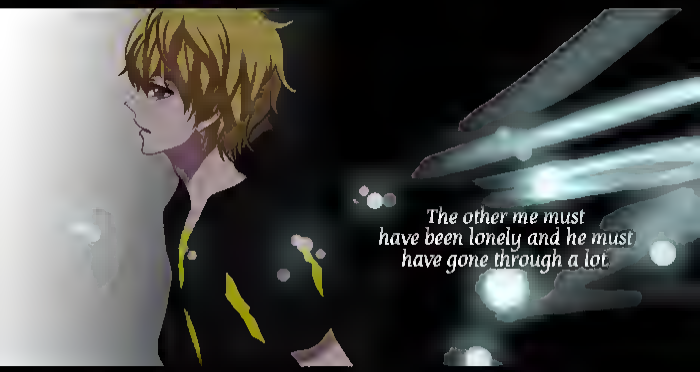
Because I thought of you.

I was thinking that greeting you after I went back to my body...
and saying goodbye before I left would make a big difference

Every day, I felt both sad and happy, and my heart just didn't feel right.



When my memories came back, a thought occured to me in the chaos of my mind:



The other me that was disappearing was also thinking.

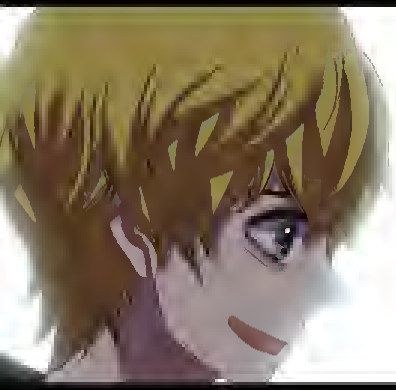
He said, "You must have had a hard time all by yourself." and encouraged me.

And in the midst of all that chaos

I saw you

Gaon. Are you okay?

At that one statement I...
I'm Yu Gaon, right?
Yeah. You're Gaon.



And I'm the Gaon you remember, right?

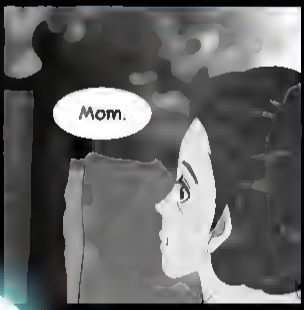
It hurt but I was happy-

And relieved

Ah. It worked.

What a relief.

Now it can...

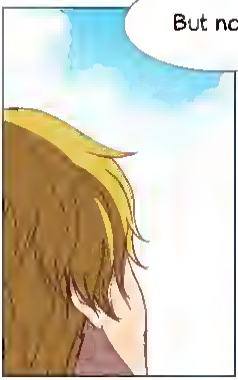


...All flow nicely again.

Gaon.

Mom.
My time.

Ever since I threw away the memories, Hyung...
Kept appearing in my dreams
At first he just stared at me.
I was frustrated that I couldn't remember who he was and I wondered why he kept appearing in my dreams
So I kept on going to therapy
Though my memories came back, Hyung continued to appear in my dreams



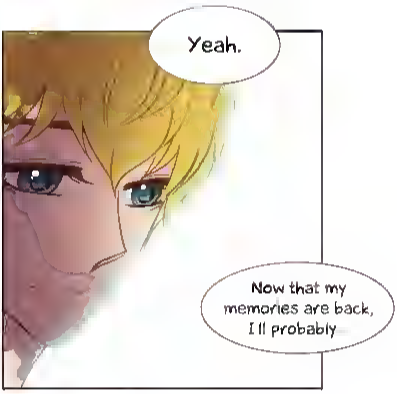
He smiles at me.

You did well. Gaon.

That's why I'm so happy, but it still hurts
What he wanted in the end was my happiness

Even in my dreams, he's so thick-headed
OO

He must have been a very good person



Yeah.
Now that my memories are back, I'll probably

bathump
Continue to be happy but sad and hurt, but still relieved, and so on
bathump

I'll be there for you whenever you need me

I will.
OO

So cheer up!
